SITECOM

Data sheet: WL-359

Product code	: WL-359
Product name	: Wireless adsl 2+ Modem Router 300N
EAN code	: 8716502021741

Use this Wireless ADSL 2+ Modem Router 300N X2 to set up a wireless home network with superior throughput and an unparalleled wireless range. This Router enables you to wirelessly share files and broadband Internet access, as well as the peripheral devices attached to the PC's in your network. Thanks to the integrated OPS technology, this Router makes it easier than ever to connect and protect your desktop PC's or notebooks in a wireless network! Just one press of the button, and the wireless connection is established, with automatic transfer of the WPA security included in the Router. Thanks to the built-in ADSL modem, you can connect this Router directly to your ADSL line.

Optimal performance	Fully "out of the box" secured	2 floors wireless coverage	Easiest setup and security
300 Mbps speed and reliable range	The wireless signals are standard secured with WPA2	Enjoy a maximum wireless reach on 2 floors of your home	Create a safe wireless connection in just one click
